Dr. O. G. KAKDE
Director
V. J. Technological Institute,
Matunga, Mumbai - 400 019.

The specific deficiencies for not granting increase / variation in intake / additional courses (for other programmes) to the institution are mentioned below:

1. Sr. level faculty in cadre ratio as per AICTE norms not available in the course in which increase in intake is proposed.
2. Faculty identification not done correctly.
3. Appointment orders / Joining Report & Bio-Data of the identified faculty not attached.

The additional intake is being granted based on the projections shown in the Detailed Project Report regarding additional built-up space, faculty and other facilities for the proposed intake. It may be noted that all facilities including additional built-up area and appointment of faculty should be made available before the commencement of the next academic session. Random surprise inspections would be carried out to verify facilities and if the institution is found deficient in fulfillment of norms & standards of AICTE, appropriate action would be initiated by the Council.

Please note that the all other terms & conditions mentioned in the Council's letter referred above will remain unchanged.

Yours faithfully,

(Harish C. Rai)
Adviser - UG/PG (E&T)
